Application of All My Sons Moving & Storage of Greenville, Inc. d/b/a Quick N Easy Moving Requesting Approval to Amend Tariff

MATTER UNDER CONSIDERATION:

Motion to Hold Application to Amend Name and Tariff in Abeyance for an Additional Thirty Days

STANDING HEARING OFFICER'S ACTION:

On December 9, 2015, this Standing Hearing Officer granted a Motion to hold the pending application of All My Sons Moving & Storage of Greenville, Inc. d/b/a Quick N Easy Moving ("the Company") in abeyance to allow the Company the opportunity to address concerns with the Office of Regulatory Staff ("ORS") regarding compliance with its current tariff and customer charges. Counsel were requested to report back to the Commission within sixty (60) days of the date of the directive on the status of the case, if compliance had not been addressed to the satisfaction of ORS. The Company now states that these discussions about ORS concerns have not resulted in a resolution of all issues between the Company and ORS. Accordingly, the Company requests that its pending application be held in abeyance for an additional thirty (30) days to allow the discussions between ORS and the Company to reach their conclusion. The Company states that at or prior to the conclusion of this additional thirty (30) day period, it will file a status report with the Commission or request that the stay be lifted so that the application can be heard by the Commission. ORS consents to the Motion. The Motion is granted under the terms proposed by the Company as filed, so that the compliance discussions can continue. The thirty (30) day period will begin with the date of issuance of this directive. Company counsel will report back at or prior to the conclusion of the additional thirty (30) day period as indicated.
